

SHAHNEELA BALOCH

Full-Stack Developer | MERN stack

+923192038817 @ shahneelakhadim@gmail.com linkedin.com/in/shahneelabaloch9090 Shehneela's Portfolio
Hyderabad, Pakistan

SUMMARY

Detail-oriented and versatile Full-Stack Developer with hands-on experience in building scalable, high-performance web applications using the **MERN stack (MongoDB, Express.js, React.js, Node.js)** and **Next.js**. Proficient in both front-end and back-end development, with a strong ability to translate **UI/UX designs** into responsive, accessible, and maintainable solutions. Skilled at implementing clean architecture, optimizing application performance, and collaborating within Agile, cross-functional teams. Passionate about writing efficient code, solving real-world problems, and continuously adopting modern web development best practices.

EXPERIENCE

Web Developer Intern

MIT Software Solution

05/2024 - 08/2024 Hyderabad

- Developed multiple web applications using **HTML, CSS, JavaScript, React, and Bootstrap**, including an **e-commerce platform** with shopping cart functionality and product filtering.
- Cloned modern web interfaces (YouTube, Admin Dashboards) to practice real-world UI/UX implementation using **responsive design principles**.

Web Developer Intern

CodeAlpha — Remote

12/2024 - 01/2025 India

- Created a **dynamic photo gallery** with image preview modal and filter functionality using DOM manipulation and vanilla JavaScript.
- Design and development a **responsive personal portfolio** using React (deployed)
- creataed **Weather App** displays real-time weather updates using WeatherAPI and React hooks for state management.

PROJECTS

E-Commerce Website

MERN Stack (MongoDB, Express, React, Node), CSS
